("Newmark" or the "Company")

CONTRACT WIN
Safetell Limited Secures New £4m Order

Newmark Security plc (AIM:NWT), a leading security solutions group, offering safety and security for organisation's personnel and assets, is pleased to announce today that its wholly owned subsidiary, Safetell Limited ("Safetell"), has secured a new £4 million order for the supply of equipment and preventative maintenance to a leading global brand and high street bank. The contract is for the period 1 November 2014 to 31 October 2017 with the option of a further one year extension. Under the terms of the contract, the Company is unable to disclose further details but can confirm that the order was placed by an existing and long-term customer.

Safetell is a leading designer, manufacturer, installer, and maintenance provider of bespoke physical security products; including security screens doors and glazing, counterwork, cash scoops, night-pay hatches, secure-line products, and slip-bins. Safetell provides a range of affordable cash recycling and management safe products for the banking sector and other cash-in cash-out operations.

Safetell Service provides repair and maintenance services for the branch networks of high street brands, including full lock repair, CCTV services, access control support, and repair of physical security equipment.

Commenting, Marie-Claire Dwek, CEO of Newmark, said: **"We have supplied this customer for the last 25 years and we are delighted that the quality of our product and service offering has been recognised. Safetell is a provider of high specification security products to, inter alia, large corporate clients and is committed to providing good value services that aid such clients in meeting their business objectives"**.
